

# St Jude's Catholic Primary School

## School Performance Data Report 2010

### Item 1: Contextual Information in 2010

St Jude's Catholic School is a co-educational primary school comprised of 198 students from Kindergarten to Year 6 and serves the Parish of St Jude's Langford. Our school is a caring and multicultural community, offering innovative programs and providing a safe, nurturing and secure environment. The schools logo signifies a community centred in Christ where there is always "room for one more" and the school motto of "Truth and Love" further signifies the focus of the school and its Catholic ideals.

The school recognises the importance of literacy and numeracy skills and provides programs to cater for the specific needs of each child. We strive to ensure that each student has access to a complete and integrated education, that is, one that promotes physical, intellectual, moral, social, spiritual and creative growth. Together with the focus on literacy and numeracy, and with special attention to the needs of ESL students, the school has also prioritised the learning areas of Technology and Enterprise and Science. Interactive whiteboard technology exists in all classrooms to help embed technology process into the everyday learning situation. Science, Physical Education, Library Studies, Japanese, Music and Dance form part of the regular school curriculum as the school caters to the diverse interests and backgrounds of students.
